

# Lost

Ollie

I can't take this feeling  
Hurts too much from inside  
And I don't know why  
Something ain't right  
If I never wake up  
Then maybe I'll be alright  
I don't wanna cry  
I'm trying to fight  
I can't take this feeling  
Hurts too much from inside  
And I don't know why  
Something ain't right  
If I never wake up  
Then maybe I'll be alright  
I don't wanna cry  
I'm trying to fight

Lately, I don't even really know myself  
Push away anybody that would help  
Tried to be the person I was  
But there ain't nothin' left, I'm goin' through hell  
Feel dead inside, I'm just goin' through the motions  
So petrified of showin' true emotions  
I'll do anything to numb the pain  
Watch chapters while my own life's bein' stolen  
It's like people see straight through me  
Friends who once knew me  
These dark thoughts consume me  
Runnin' from all of my battles  
I'm such a coward  
I don't know how I'm copin'  
Maybe I'm just overthinkin' everything  
Maybe this is all stuck inside my head  
This all pushin' me over the brink  
Sometimes think I'd be better off dead

I can't take this feeling  
Hurts too much from inside  
And I don't know why  
Something ain't right  
If I never wake up  
Then maybe I'll be alright  
I don't wanna cry  
I'm trying to fight

It's like I'm a visitor in my own skin  
I can try to fight it but I'll never win  
And I can't see straight, liquor in my veins  
I'm dyin' in pain  
Hide it all behind the mask of a smile  
Stayin' busy only helps for awhile  
I wish that I could love myself  
I'm so lost, I'm so lost

I can't take this feeling  
Hurts too much from inside  
And I don't know why

Something ain't right!  
If I never wake up  
Then maybe I'll be alright  
I don't wanna cry  
I'm trying to fight
