

## Small Town Shit

Ollie

All of my friends goin' out on the weekend  
Just some small town shit  
Bottle runs dry when another one begins  
It's a damn good fit  
Wastin' our time 'round here ain't got meanin'  
Singin', all I need, all I need is right here with me, yeah  
Say

All of my friends goin' out on the weekend (Weekend)  
Just some small town shit  
Bottle runs dry when another one begins  
It's a damn good fit  
Wastin' our time 'round here ain't got meanin'  
Singin', all I need, all I need is right here with me, yeah  
Yeah, all I need, all I need is right here with me  
Right here with me

Yeah, mix it in my solo cup, don't care with what  
I ain't gonna stress too much, don't give a fuck  
Same ones that I been around, still run it up  
Ain't too big to hit the town, this shit I love  
Nothin' to prove to nobody, I'm done  
Just time to lose, we all lookin' for some  
I wouldn't trade all these things, not all these things  
I wouldn't trade none

All of my friends goin' out on the weekend (The weekend)  
Just some small town shit  
Bottle runs dry when another one begins  
It's a damn good fit  
Wastin' our time 'round here ain't got meanin'  
Singin', all I need, all I need is right here with me, yeah  
Yeah, all I need, all I need is right here with me  
Right here with me

We could spend way too long doin' nothin' together  
When my life all gone, this the shit I'll remember  
I swear, just don't forget about me (Don't forget)  
We could spend way too long doin' nothin' together  
When my life all gone, this the shit I'll remember  
I swear, just don't forget about me  
Just don't forget about me
