

Storm

Ollie

Lightning
Watching as it flashes
Feel the thunder crash is calming
Raindrops
Echo off this steel roof
Make it hard to hear who's calling
Ooh-ooh-ooh
All alone with this depression in my head
I lay still but can't forget
No ooh-ooh-ooh
Start the struggle
With all of the words I left unsaid
Life's a storm from tears I shed now

I don't know what is happening
I'm not too sure why I feel like I do
Emotions been slowly gathering, yeah
Build up the strength to tell you the truth
It just feels better to write this all out, still
I know some people just won't understand, but
I ain't going to give up on fighting now, 'cause
Maybe this all was part of the plan

Lightning
Watching as it flashes
Feel the thunder crash is calming
Raindrops
Echo off this steel roof
Make it hard to hear who's calling
Ooh-ooh-ooh
All alone with this depression in my head
I lay still but can't forget
No ooh-ooh-ooh
Start the struggle
With all of the words I left unsaid
Life's a storm from tears I shed now
