

# Storm

Ollie

Lightning  
Watching as it flashes  
Feel the thunder crash is calming  
Raindrops  
Echo off this steel roof  
Make it hard to hear who's calling  
Ooh-ooh-ooh  
All alone with this depression in my head  
I lay still but can't forget  
No ooh-ooh-ooh  
Start the struggle  
With all of the words I left unsaid  
Life's a storm from tears I shed now

I don't know what is happening  
I'm not too sure why I feel like I do  
Emotions been slowly gathering, yeah  
Build up the strength to tell you the truth  
It just feels better to write this all out, still  
I know some people just won't understand, but  
I ain't going to give up on fighting now, 'cause  
Maybe this all was part of the plan

Lightning  
Watching as it flashes  
Feel the thunder crash is calming  
Raindrops  
Echo off this steel roof  
Make it hard to hear who's calling  
Ooh-ooh-ooh  
All alone with this depression in my head  
I lay still but can't forget  
No ooh-ooh-ooh  
Start the struggle  
With all of the words I left unsaid  
Life's a storm from tears I shed now
