

Vampire

Ollie

So people only love for the benefit
Like, without all my scars, I can never live
Now I see it in they eyes, yeah they full of shit
I wish that you could beat that one, what a bummer
Try to pull you close just to feel your heat
But you pulled out a knife and sunk in your teeth
Nothing in my lunges, ain't no energy
I felt that you could beat that one, what a bummer

So now I sing
Na-na-na-na-na-na-na-na-na-na-na-na-na-na-na-na
I be a vampire just for you
Na-na-na-na-na-na-na-na-na-na-na-na-na-na-na
Fell in the trap I always knew
Yeah, yeah
Fell in the trap I always knew
I always knew

Yeah
Now I live inside the shadows, forever nay
Started looking more like you after every bite
Swear I wouldn't be the same, but I guess you right
Lately, I can't even keep track of the number
Holding up on me, I swear I couldn't pass
Can't remember who I was, this all happened fast
Should've kept all to myself, now I'm seeing dead
What a fool to think I change, when you never asked

So now I sing
Na-na-na-na-na-na-na-na-na-na-na-na-na-na-na
I be a vampire just for you
Na-na-na-na-na-na-na-na-na-na-na-na-na-na-na
Fell in the trap I always knew
