

# Did You Miss Me?

Olly Murs

What you've been doing  
Since I was away?  
Have you felt good?  
Have you felt bad?  
Did you behave?

It's alright  
I hear the night and it's all mine

I know you heard some rumors  
And wonder if they're true  
But just be patient  
I'mma show you something new  
Yeah that's right

It's alright  
I hear the night and it's all mine

I could tell that you miss me  
Your eyes give you away  
I know you can't resist me  
So tell me, tell me, tell me  
Tell me, tell me, tell me

Tell me girl that you missed it  
I need to know that you care  
You know I'm not interfering  
So show me, show me, show me  
That you miss me

Did you miss me?  
Did you miss me?

Sorry I let you  
But I'll make it worth the way  
Yeah I remember you  
I want another taste

It's alright  
I hear the night and it's all mine

I could tell that you miss me  
Your eyes give you away  
I know you can't resist me  
So tell me, tell me, tell me  
Tell me, tell me, tell me

Tell me girl that you missed it  
I need to know that you care  
You know I'm not interfering  
So show me, show me, show me  
That you miss me

Did you miss me?  
Did you miss me?

Cause your eyes give it away

We got an understanding  
Don't need worse to explain  
Just show me, show me, show me  
Show me, show me, show me

Did you miss me?  
Did you miss me?

Tell me you miss me baby  
Show me you really care  
You really care

I could tell that you miss me  
Your eyes give you away  
I know you can't resist me  
So tell me, tell me, tell me  
Tell me, tell me, tell me

Tell me girl that you missed it  
I need to know that you care  
You know I'm not interfering  
So show me, show me, show me

Did you miss me?
