## **Don't Say Goodnight Yet**

If you stay a little longer I promise, I'll be on my best behavior Yes I will I can get that taxi number I could call it now, but I'd rather do it later

The smile on your face isn't fading So why don't you staayyy

Don't say goodnight yet There's still some time left It's getting late but Don't say goodnight yet You look amazing, I wanna hold ya I wanna get get, get to know ya Just say yes Don't say goodnight! Yet

I could play a little Stevie, or Marvin We could watch a scary movie I don't mind Just take you coat off, that all that I want Just sit back relax, sit next to me Please don't leeeave Waa!

Don't say goodnight yet There's still some time left It's getting late but Don't say goodnight yet You look amazing, I wanna hold ya I wanna get get, get to know ya Just say yes Don't say goodnight!

Climb onto the roof, look up at the sky I could count the stars, shining in your eyyyye a eyes! Won't you stay, stay a little longer! Please don't leeeave

Don't say goodnight yet Theres still some time left It's getting late but Don't say goodnight yet You look amazing, I wanna hold ya I wanna get get, get to know ya Just say yes Don't say goodnight!

Don't say goodnight! Don't say goodnight! Let's stay a little longer Theres so much time.. You look amazing, I wanna hold ya I wanna get get, get to know ya Just say yes! Haha!
