

# Don't Stop Dancing

Olly Murs

I think I read it in magazines  
One night to get next to you  
It looks so easy in movie scenes  
How we could dance on the moon

Saw my name there up in lights  
With you standing by my side  
Baby, tell me this is true  
There's a million other times  
That I couldn't make you mine  
Don't give up on me and you

Now it's Saturday night  
I'm feeling alright  
Yeah, I'm getting it right  
No, don't stop dancing  
Oh, love me tonight  
'Cause heaven's alight  
Don't put up a fight  
No, don't stop dancing

Woohoo  
Oh, everyone knows it when the floor's on fire

It's Saturday night  
I'm feeling alright  
Yeah, I'm getting it right  
No, don't stop dancing

It's 5 AM and the party's done  
So glad we came here tonight  
I can't believe I'm the only one (Only one)  
The only one in your eyes (Your eyes)

Saw my name there up in lights  
With you standing by my side  
Baby, tell me this is true (It's true)  
There's a million other times  
That I couldn't make you mine  
Don't give up on me and you

Now it's Saturday night  
I'm feeling alright  
Yeah, I'm getting it right  
No, don't stop dancing  
Oh, love me tonight  
'Cause heaven's alight  
Don't put up a fight  
No, don't stop dancing

Woohoo  
Oh, everyone knows it when the floor's on fire

It's Saturday night  
I'm feeling alright  
Yeah, I'm getting it right  
No, don't stop dancing

Saw my name there up in lights  
With you standing by my side  
Baby, tell me this is true (Tell me)  
There's a million other times  
That I couldn't make you mine  
Don't give up on me and you  
Hey!

Don't, don't stop ya feet  
No, don't, don't stop ya feet  
Don't, don't stop ya feet  
No, don't stop dancing  
Don't, don't stop ya feet  
No, don't, don't stop ya feet  
Don't, don't stop ya feet  
No, don't stop dancing

Now it's Saturday night (Saturday night)  
I'm feeling alright (Yeah)  
Yeah, I'm getting it right  
No, don't stop dancing  
Oh, love me tonight (Love me tonight)  
'Cause heaven's alight (Heaven's alight)  
Don't put up a fight  
So, don't stop dancing

Woohoo (Don't, don't stop ya feet  
No, don't, don't stop ya feet)  
Oh, everyone knows it when the floor's on fire (Don't, don't stop ya feet)

It's Saturday night (Saturday night)  
I'm feeling alright (Feeling alright)

No, don't stop dancing
