

# Guilty

Olly Murs

Go easy on me now, your honour  
'Cause I got caught but she's a pretty lady  
Ban me to rights, 'cause I'm a goner  
I must admit, I was a little bit crazy

If you choose to lock me up  
Do I get one call a day?  
'Cause this girl's got me all tied up  
So throw the key away

'Cause I'm guilty, guilty  
Chain me to your heart, it's where I will be, will be  
Handcuffed to your love  
Because I'm guilty, guilty  
Darling, go ahead and arrest me  
'Cause I'm guilty loving you  
'Cause I'm guilty loving you  
'Cause I'm guilty loving you

Beyond a doubt, I was a wrong'un  
I look around, I know the jury hate me  
Don't think my past has been forgotten  
I made mistakes and then this girl, she saved me

If you choose to lock me up  
Do I get one call a day?  
'Cause this girls got me all tied up  
So throw the key away

'Cause I'm guilty, guilty  
Chain me to your heart, it's where I will be, will be  
Handcuffed to your love  
Because I'm guilty, guilty  
Darling, go ahead and arrest me  
'Cause I'm guilty loving you  
'Cause I'm guilty loving you  
'Cause I'm guilty loving you

So I'm waiting on the verdict of my love  
A life sentence, but boy, I deserve it

'Cause I'm guilty, guilty  
Chain me to your heart, it's where I will be, will be  
Handcuffed to your love  
Because I'm guilty, guilty  
Darling, go ahead and arrest me  
'Cause I'm guilty loving you  
'Cause I'm guilty loving you  
'Cause I'm guilty loving you
