

## Loud & Clear

Olly Murs

Are you happy now?  
Are you satisfied with the way  
That you let our love die?  
So how's it feel to be on the other side  
Without me in your life?

I was calling you my world, my heart, my everything  
Ooooh  
But you didn't give a damn, enough to let me in  
But now you know.

If you want to love you've got  
To give love or it will disappear  
Now you're all alone wishing  
You could go back to where  
You're happy here  
But it's too late to make it right  
And you can't take back the byes  
No you can't reverse the tears  
The truth is hitting you loud and clear  
Like ooh ooh  
Like ooh ooh.

Stop, baby, let it out  
Is there a dark cloud looming  
Over you since our breakdown? Has it been difficult?  
And are you miserable? Are you missing us now?

I was calling you my world, my heart, my everything  
Ooooh  
But you didn't give a damn, enough to let me in  
But now you know.

If you want to love you've got  
To give love or it will disappear  
Now you're all alone wishing  
You could go back to where  
You're happy here  
But it's too late to make it right  
And you can't take back the byes  
No you can't reverse the tears  
The truth is hitting you loud and clear  
Like ooh ooh  
Like ooh ooh.

How does it feel to be without—without my love around wishing you could  
Turn it around?  
Oooh. But now you know.

If you want to love you've got  
To give love or it will disappear  
Now you're all alone wishing  
You could go back to where  
You're happy here  
But it's too late to make it right  
And you can't take back the byes  
No you can't reverse the tears

The truth is hitting you loud and clear  
Like ooh ooh  
Like ooh ooh  
Ooooh ooh  
Like ooh ooh  
Ooooh ooh  
Ooooh ooh
