Marie, senorita, listen to me
Marie I'm begging upon my bended knees
If you mistrust me just wait and see
All I want is to give you security

Marie Marie you're my symphony
Marie Marie my tango melody
Marie Marie you're my destiny
Marie Marie through eternity
Our love lights waiting for you and me
Marie Marie, senorita si

Tonight the stars are shining oh so bright
Marie they're shining just for you and me
Here I am waiting for you desperately
Marie I'll hold you so tenderly

Marie Marie you're my symphony
Marie Marie my tango melody
Marie Marie you're my destiny
Marie Marie through eternity
Our love lights waiting for you and me
Marie Marie, senorita si
