I don't like when you sober
You know that
I like e the wet panties
The ones from river Jordan
Or an ocean
The ones from the Atlantis
Wey fit e swallow the owner
Like Jonah
The girls from the Caribbean Sea
Wey fit e take the boner
Till e go down
Hand it over
To the owner

Make I bend you uhhhh

Road wey lead to happy ending

And she knows it all
We got a secret she no go talk
The things we do when we lock the door
That shit is poison no antidote
I put my all in till I see evidence
For her face and her leg e dey shake
Like say she get epilepsy
She say the taste is a sweet and e bitter
At the same time peppermint
Crocodile teeth, Skillibeng
Yes my thing strong no fit bend oh

Until I bend you
