

Damn

Omah Lay

She loves me when I'm drunk
She loves me when I'm jobless
She loves me when I'm wrong
Even when I no need love, yeah
She loves me like damn
Like damn, damn, damn
Like damn, damn, damn, damn, damn, damn, damn

She loves me when I'm drunk
She loves me when I'm jobless
She loves me when I'm lost
Even when I no need love, yeah
She loves me like damn
Like damn, damn, damn
Like damn, damn, damn, damn, damn, damn, damn

No other, she be the one she
Every time I try
There ain't nothing like we
And baby that's why
I'm done with the red flag
Telling all the girls I'm on your side
I'm telling all my boys am on your side
I'm counting all your loss on my side
Coz you be my Nikka
You be my cloth
You be my water
You be my blood
You be my river
You be my road
You be my fever
You be my cold
Even when I waka
With ten toes
She carry my matter
Like dandruff
When things scatter
She dey hang on
When things better
She dey thank God

She loves me when I'm drunk
She loves me when I'm jobless
She loves me when I'm lost
Even when I no need love, yeah
She loves me like damn
Like damn, damn, damn
Like damn, damn, damn, damn, damn, damn, damn
