

## Do Not Disturb

Omah Lay

I don't like you  
I hate you  
As a matter of fact I hate your mum  
I hate your bro  
You know what? I hate your dog  
Why would you put my number on block  
How could you not take my fucking calls  
How could you always be tossing me around  
I hate you

Do not disturb me please  
Do not disturb my peace  
I got a couple things I should fix  
I got a million things that I need  
So do not disturb me please  
Oh! do not disturb my peace  
I got a couple things I should fix  
I got a million things that I need

I cannot kill myself for nothing  
That kind of thing na only for film  
You dey video, you know no wetin my eyes dey see  
Now I'm balling o, you dey try to tear my jersey  
See I got love for the people who love me too  
I got a beast buh I'm tryinna keep it cool  
Don't push me  
Don't push me  
Don't push me o  
Don't Push me

For this journey, I no dey drink water  
As I dey go, you know no how I dey take survive  
No come carry your wahala come kill my vibe
