

# Moving

Omah Lay

I've been moving  
Moving, moving  
I've been moving, moving  
I've been moving, moving  
Moving, moving  
I've been moving, moving, moving

This is thicker than metals  
These conversations  
These things money cannot buy  
This should be enough for you  
My darling, I believe in real life  
Time is to have fun  
Let's take this time to get high  
Leave confirmations

I've been moving  
Moving, moving  
I've been moving, moving  
I've been moving, moving  
Moving, moving  
I've been moving, moving, moving

Ambulance or I hear sirens  
I will run if I hear silence  
Little, little drama, I'm being honest  
Just a little drama, I'm being honest

You can tell that I ran out of time  
You can tell that I ran out of time  
Unavailable alotta times  
Unavailable alotta times  
You can tell that I ran out of time  
You can tell that I ran out of time  
Unavailable alotta times  
Unavailable alotta times

I've been moving  
Moving, moving  
I've been moving, moving  
I've been moving, moving  
Moving, moving  
I've been moving, moving, moving

This is thicker than metals
