

## purple song

Omah Lay

Do you know how that feels?  
Do you know how it feels to love somebody and they don't love you back?  
Do you know how that feels?

You don't go turn the TV on (Oh, oh)  
And expect me not to be on it (To be on)  
You no go touch the radio (The radio)  
If you don't want to hear the voices (Voices)  
You don't have to listen to my songs (Oh, oh)  
But you don't have too many choices  
Even if say you kneel down dey beg  
Even if say you hook me for neck  
Even if the world don dey end  
Even if dem don lock me for cell  
I cannot let you go  
Only water fit cool my soul  
Rock my body 'til you hit my bone  
Only your shot fit reach my goal  
Even if say you catch me dey moan  
Even if say you see me dey fuck  
Even if my head e don dey touch  
Even if I don't want you no more  
You should not let me go (Oh)  
Only my water fit cool your soul (Oh)  
Only your hand fit heal my wound (Oh)  
Only your mouth fit lick my soup (Oh)
