Omah Lay

Ayo, Debo, you the greatest

I'm on the go 24/7  
I'm on the road, my safe haven  
I'm living fast, you can't stop me  
My neck is ice and Roman Chaplets

Ah, ah  
I'm on the road, my safe haven  
Ah, ah  
I'm on the road, my safe haven

So you wanna know my mind now  
When I burst the pipe line  
Tell you where I take the photo when I post on social media  
And why them like am  
Say you wanna know inside out  
I'll tell you at the right time  
I'll tell you how I make the money  
When I get before you dey follow help me divide am  
Boy allow me chop my potato  
Whether I wash am, whether I cut am, whether I boil my potato  
That is how I like my potassium  
And that me blow like tornado  
And I'm a rockstar, and I'm a hustler  
I put my white rice tomatoes  
'Cause everybody chop from my table

So I'm on the go 24/7  
I'm on the road, my safe haven  
I'm living fast, you can't stop me  
My neck is ice and Roman Chaplets

Ah, ah  
I'm on the road, my safe haven  
Ah, ah  
I'm on the road, my safe haven

Sex and all the illegals  
Only God and me knows  
If to say no be this road  
I for don fall for loop hole  
Room 404 my room number  
Come give me head for the pillow  
More reasons I stay on the road  
More reasons I die on this road

Ah, ah  
I'm on the road, my safe haven  
Ah, ah  
I'm on the road, my safe haven
