

## understand

Omah Lay

You don't cut my weave-on and dread ah!  
You make a boy sick and a boy well ah!  
Nothing my eye see my mouth e don't tell ah!  
I enter rain coz I give you umbrella

I thought we in this together  
Give you my necklace pendant  
Give you my last card you spend am  
I show you my best friend you friend am

I thought we in this together  
Give you my necklace pendant  
Show you my best friend you friend am  
I give you my last card you spend am

Everything I do  
I under under  
I no fit under under under  
Me I no fit under...  
Under under  
I no fit understand

That thing wey you do me  
I under under  
I no fit under under under  
Oh! oh! under under  
I no fit understand

All of my fans I pity for them  
I don't mad I pick condemn  
I don't fight uniform men  
Oluwa can you fix the problem  
Ahh ah ah!

Thunder thunder fire that your reason  
Wey dey give you ginger make you leave me  
Thunder thunder fire that your reason eh  
Ahhh...

I thought we in this together  
Give you my necklace pendant  
Give you my last card you spend am  
I show you my best friend you friend am

I thought we in this together  
Give you my necklace pendant  
Show you my best friend you friend am  
I give you my last card you spend am

Everything I do  
I under under  
I no fit under under under  
Me I no fit under...  
Under under  
I no fit understand

That thing wey you do me

I under under  
I no fit under under under  
Oh! oh! under under  
I no fit understand

Under under I no fit under  
Under under under under under under  
I no fit understand  
Ahhhhhhh ahhhh ahhh...

Under under I no fit under  
Under under under under under under  
I no fit understand
