Stay back, stay back, stay back, stay back, stay back, stay back  
For what? For what? For what? For what? For what? For what?

Got someone to cover me, I work the late shift  
Drive through Georgia, nineteen hours on a vacation  
I ain't never left the state, man, I've been waitin'  
And that pretty boy still hit me up on strange occasions (Ooh, ooh, ooh)

But we was kids and we was younger (Was younger)  
I stop to wonder (Ooh, ooh, ooh)  
I'm naive, but I remember  
Rain drop December (Ooh, ooh, ooh)  
I've been wondering if you'd call me (If you'd call me)  
Move like tsunamis (Ooh, ooh, ooh)  
Now we're strangers in this lobby (In this lobby)  
Like kamikaze (Ooh, ooh, ooh)

I ain't really know you was freaky though  
Ass round like Cheerios  
And you got a lil' Vimeo  
What's the password? You just froze  
Don't you got enough material?  
Say you gotta go, vámonos  
And I told you just leave me alone (Leave me alone)  
Yeah, I told you just leave me alone, yeah

Yeah, it really don't feel good, does it? Pop shuv it  
You don't ever say, "My bad," you nothing, you nothing  
Told me that I wasn't worth shit, you buggin', you buggin'  
If you wasn't so selfish, you love it, you love it

I'm still driving all alone, it's automatic  
My eyes are tired, I'm drivin' slow, no sign of traffic  
I pull over, go to sleep, listen to classics (Hmm, hmm, hmm)  
Think of you, and you and me, 'cause I'm an addict (Ooh, ooh, ooh)

But we was kids and we was younger  
I stop to wonder (Ooh, ooh, ooh)  
I'm naive, but I remember  
Rain drop December (Ooh, ooh, ooh)  
I've been wondering if you'd call me  
Move like tsunamis (Ooh, ooh, ooh)  
Now we're strangers in this lobby  
Like kamikaze (Ooh, ooh, ooh)

Fuck you, boy  
I'ma leave this state and never come back  
I'ma never come back to you ever again  
(Oh woah, oh woah, oh woah, oh)  
(Oh woah, oh woah, oh woah, oh)  
(Remember when you let me down)

Yeah, it really don't feel good, does it? Pop shuv it  
You don't ever say my bad, you nothing, you nothing  
Told me that I wasn't worth shit, you buggin', you buggin'  
If you wasn't so selfish, you love it, you love it

Yeah

Yeah, yeah, yeah, yeah

Woo-woo, woo-woo, woo-woo, woo-woo, woo-woo
