

## Kickback

Omar Apollo

I've been away but now I feel you, yeah  
Wonder what made you feel like I could be the one, oh

Lately it's been me  
I've pissed you off, ah  
Let you in my feelings  
You really feel, yeah  
Ah-ah, sayin'

You been high, I get that  
I been at the kickback  
Nothing will content me  
Doesn't matter, eh-eh  
Thought you came from nothing  
Jdawg that's my cousin  
You should like my brother  
Doesn't matter, ah-ah

I've had a taste of how you feeling, yeah  
Yeah I've been hiding how I feel for way too long, ah-ah-ah-ah-  
ah

Lately it's been me  
I've pissed you off, ah  
Let you in my feelings  
You really feel, yeah  
Ah-ah, sayin'

You been high, I get that  
I been at the kickback  
Nothing will content me  
Doesn't matter, eh-eh  
Thought you came from nothing  
Jdawg that's my cousin  
You should like my brother  
Doesn't matter, ah-ah

You been high, I get that
