

Life's Unfair

Omar Apollo

I did something real bad
I don't think it can wait
It don't break my love for you
But yours for me might change
The wait kept me from you, your faith kept you from truth
When I
When I was kissing him, I was seeing you
I'm not sure what to do

It's not that I didn't love you
It's not that I didn't trust you
I did, I swear
I did, I swear
Life's unfair

You never took that path
I would've married you
I would've married you
But you won't live like that
You can't live like that
'Cause you had lives to choose
If you're taking this backwards, oh
If you're taking this backwards, oh, yeah
If you're taking this backwards
Wait, wait
If you're taking us back, backwards

It's not that I didn't love you
It's not that I didn't trust you
I did, I swear
I did
Life's unfair
