

Live For Me

Omar Apollo

You told me
You won't live too long
And I wish I
Could say something to change

How you feel about the way your life is goin'?
And tell me why you'd wanna go through it alone, hey

Won't you live for me?
Or could I live for you?
There's nothing I won't carry
So you don't have to

Woah, woah, woah (Ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)

Never meant to hurt you with what I said
Didn't think I deserved you
What you give
The color in my eyes is turnin' red, eh

How you feel about the way your life is goin'?
Tell me why you'd wanna go through it alone

Won't you live for me?
Or could I live for you? Oh
There's nothing I won't carry
So you don't have to, oh

Woah (Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)
(Ooh, ooh, ooh)

Won't you live for me? (Ooh, ooh, ooh)
Or could I live for you? (Ooh, ooh, ooh)
There's nothing I won't carry (Ooh, ooh, ooh)
So you don't have to (Ooh, ooh, ooh)
