

Alkaline Drip

Omarion

You tell me that sex is overrated, yeah
I tell you it's time to be upgraded, yeah
Sorry that he wasn't that connected
Sorry that he wasn't that invested in you
But I'ma show you what the real ones do

I'ma pace myself
Take my time rocking your boat
Go down low
Until your body lose all control
Sipping on your alkaline drip
Kissing on your chocolate lips
Got you feeling lifted, baby
That's what you've been missing babe

You say you're sick of the same old feeling (uh)
Well I'm here to give sexual healing (yeah)
I just want to jump off in the deep end
God, I love when I'm sinking in you
So, let me show you how a real one do

I'ma pace myself
Take my time rocking your boat
Go down low
Until your body lose all control
Sipping on your alkaline drip
Kissing on your chocolate lips
Got you feeling lifted, baby
That's what you've been missing, baby

Ooh, your body mighty fine
Ooh, I love your waters got that alkaline
PH on a hundred and 9.5
Drinking from your waters
Drinking from your waters, yeah

Girl, your body mighty fine
Ooh, I love your waters got that alkaline
PH on a hundred and 9.5
Drinking from your waters

I'ma pace myself
Take my time rocking your boat
Go down low
Until your body lose all control
Sipping on your alkaline drip
Kissing on your chocolate lips
Got you feeling lifted, baby
That's what you've been missing, baby

Girl, you know what you've been missing
Come in
Get in your head and then the bed
Sapiosexual, sapiosexual (Pour on me)
Pour on me, pour on me (Pour on me)
Divine, feminine divine, you're all mine
