

B2K Experience

Omarion

Just jumped off the plane
Everybody know my name
Smashin' in my own lane
Catchin' Z's, purple bus now
Top gun on the I-10
That's just how I get around
Twenty years, that's completely
Everything that you thought it would be me
Need for the

B2K experience
Orion got it on tilt now
Michelle Le Fleur, Deji
Breezy, poppin' P
Brandy, team O
B2K experience (Yeah)
I got a new philosophy
Don't talk to me, talk to Skylar P (J-Boog)
When we pull up to the B2K experience (B2K)

Yo, it's the millennium too, B2K
Omarion, J-Boog
Raz-B, Lil' Fizz
B2K

Show after show I knock 'em down and down
No minutemen and we gon' bounce for rounds 'til you explode
