Battle

Omarion

So why does love feel like a battle,
Battle, battle, battle?
Love, love feel like a battle.
So why does love feel like a battle,
Battle, battle, battle?
Why it's love feel like a battle?

This feels so automatic, systematic, but it…
Even smallest conversation is an argument
Wish you wouldn't be such a nuisance
a complication girl that we don't got a reason.
girl you impress yourself, you suit very well,
[?] in this battle field?

So why does love feel like a battle,
Battle, battle, battle?
Love, love feel like a battle.
So why does love feel like a battle,
Battle, battle, battle?
Why it's love feel like a battle?

Battle, battle, battle, battle
Battle, battle, battle, battle
Battle, battle, battle, battle

Baby girl you're losing me,
driving me crazy with the scrutiny
Go, go, go, go shoot away with everything
That you can act.. on all of my defenses,
Is this for real, or you do it just for more attention?
You should [?] yourself, you suit very well,
[?] in this battle field?

So why does love feel like a battle,
Battle, battle, battle?
Love, love feel like a battle.
So why does love feel like a battle,
Battle, battle, battle?
Why it's love feel like a battle?

Battle, battle, battle, battle
Battle, battle, battle, battle
Battle, battle, battle, battle

Yeah, this love is priceless, I know,
I got it to praise!
But we ain't talking marriage,
nor like being engaged!
More like the thug love
uncut pure Sex and the City, Mr. Big, Carrie Bradshaw!
You got the swallow up, stop it, let me [?]
Got you a type of policy, so why you insecure?
Always accusing me like you're practicing law,
Watching [?] told your ass before.
Night fight,gun fight, you're right, and I'm right,
Argue in the moonlight, and fucking till the sunlight
This be like a new thing, every day a routine,

Dealing with your mood swings and sexy ass g-strings
Lost focus for a moment,
But you know and I know when I’m on it,
I own it, it’s only authentic if you’re real and I’m real,
And the words of how we [?] deal or no deal!

So why does love feel like a battle,
Battle, battle, battle?
Love, love feel like a battle.
So why does love feel like a battle,
Battle, battle, battle?
Why it’s love feel like a battle?

Battle, battle, battle, battle
Battle, battle, battle, battle
Battle, battle, battle, battle
