

# Candy

Omariion

Ooh, yeah  
Ooh, oh yeah  
Back it up, back it up  
Ooh, oh yeah  
Back it up, back it up  
Back it up, back it up  
Ooh, yeah  
Back it up, back it up

I watch my energy (Energy)  
You know, they say watch the company you keep (Keep, keep)  
You and me got a different synergy (Synergy)  
One of one girl, your love's an entity  
Right where I want to be

Well, well, well  
You do it to me, oh, so well  
You know I love how we align  
Like stars up in the sky  
Plus that body looking right  
So, baby, just for me tonight  
Moving around like

Down to the floor, look daddy  
I know that you like it when it's drippin' like candy  
Nails matching my bag, yeah, I'm acting real fancy  
Drippin' like candy  
Drippin' like candy

Say left to right  
Right to left  
Down to the floor, look daddy  
Say left to right  
Right to left  
Down to the floor, look daddy  
Let's go get it

I'm lovin' your physique (Aye)  
But pardon me, let me grab your Georgia peach (Georgia peach)  
One of one, love is like an NFT (Aye)  
Honey glaze, girl, your body's simply sweet (Sheesh)  
You know just what I need

Well, well, well  
You do it to me, oh, so well  
You know I love how we align  
Like stars up in the sky  
Plus that body looking right  
So, baby just be with me tonight  
Moving around like

Down to the floor, look daddy  
I know that you like it when it's drippin' like candy  
Nails matching my bag, yeah, I'm acting real fancy  
Drippin' like candy  
Drippin' like candy

Say left to right  
Right to left  
Down to the floor, look daddy  
Say left to right  
Right to left  
Down to the floor, look daddy  
Let's go get it
