

EX

Omarion

(Say bye to your ex, baby, I'ma be your exit)

Draco

O

(Yeah, yeah, yeah) Bow Wow

Ooh, ooh, ooh

Yeah, yeah, ayy

Sex me, why you distant? (Yeah)

I can see it's probably been a minute

You done lost your smile (Where it's at?)

Girl, it's missin' (Yeah)

Company will probably get you lifted

This ain't friends only

Put your hands on me

Westside, come and slip and slide when you're horny

Backshots the only shots that you get from me

I'ma hammer like Thor, you wanted more, but keep it lowkey, lowkey

Say bye to your ex (Ex), I can be your exit

Say bye to your ex, baby, I can be your exit

No longer alone, sittin', watchin' Netflix

Say bye to your ex, baby, I'ma be your exit

Say bye to your ex, say bye to your exes

Say bye to your ex, baby, I can be your exit

I've been wastin' time, I can give you new perspective

Say bye to your ex (Bye)

And let's just exit

Too, too-too deep (Deep), in your kitten (Girl)

I can make it purr if I lick it

I am not from here

This shit hit different

My UFO was parkin' while you sittin' (Skrrt)

This ain't friends only

Put your hands on me

Westside, come and slip and slide when you're horny

Backshots the only shots that you get from me

I'ma hammer like Thor, you wanted more, but keep it lowkey, lowkey

Say bye to your ex (Ex), I can be your exit

Say bye to your ex, baby, I can be your exit

No longer alone, sittin', watchin' Netflix

Say bye to your ex, baby, I'ma be your exit

Say bye to your ex, say bye to your exes

Say bye to your ex, baby, I can be your exit

I've been wastin' time, I can give you new perspective

Say bye to your ex (Bye) (Draco)

And let's just exit

Draco

Say bye to your ex, pull up and we flex all the time

Nothin' but the best, VV in my neck

I ride around in a Lambo

Swear it got me movin' slow mo'

Ain't gotta say nothin'

I pull up and skrrt you off
Draco ridin' around and around
Just me and I'm blowin' them O's (O's)
Say bye to your ex, shawty, it's time to go (Go)
VV's cut, they in my neck, know my drip be froze
We jumpin' on the PJ to jet, I got drill on
Gone, that be real cold

How is you fuckin' with him?
You fuckin' with me, girl, you know that we winnin' (Winnin')
You know he ain't got no money like that, at Chanel, we don't care what we s
pendin'
The fuck did he buy you, a Swiss watch? (Broke boy)
See, I put the stones in your wrist watch (Bust down)
Woke up in Miami then hop up on a jet, girl let's make us a Tik Tok
I told the pilot to land, I told the pilot to land (Right there)
I should've went to HBCU
The way a young nigga be playin' with bands
Speakin' of bands, I beat the pussy up just like a drummer
Yeah, I got the stick
So sure that you feelin' me
What she do?
She tatt' up my name, put it right on her tits
Ayy, we in the club, I let her throw it
This is your chance, girl, don't you blow it
I be fuckin' you good, I bet he don't know it
Call 'em all now, put 'em on notice
Let's go to Neimans and run up a check
Fuckin' shit up every time that we shop
Baguettes in yo neck and that shit came from Wafi
She love that I'm cocky
Who is gon' stop me? Nobody

Say bye to your ex (Ex), I can be your exit
Say bye to your ex, baby, I can be your exit
No longer alone, sittin', watchin' Netflix
Say bye to your ex, baby, I'ma be your exit
Say bye to your ex, say bye to your exes
Say bye to your ex, baby, I can be your exit
I've been wastin' time, I can give you new perspective
Say bye to your ex (Bye)
And let's just exit

Say bye to your ex (Ex), I can be your exit
Say bye to your ex, baby, I can be your exit
No longer alone, sittin', watchin' Netflix
Say bye to your ex, baby, I'ma be your exit
Say bye to your ex, say bye to your exes
Say bye to your ex, baby, I can be your exit
I've been wastin' time, I can give you new perspective
Say bye to your ex (Bye)
And let's just exit
