I'm free, I'm free, so free
I'm free!
Free from all this guilt I held inside,
How could you look me in my eyes and just lie?
Kept me hostage for your own salvation,
I'm no longer there, I won't be gone and...
Cause I'm free!
She said 'I'm free! '
She said 'I'm free! '
She said 'I'm free! '
Baby, wait for me!

I'm free, I'm free, so free
I'm free!
Free from all this guilt I held inside,
How could you look me in my eyes and just lie?
Kept me hostage for your own salvation,
I'm no longer there, I won't be gone and...
Cause I'm free!
She said 'I'm free! '
She said 'I'm free! '
She said 'I'm free! '
Baby, wait for me!

I'm free, I'm free, so free
I'm free!
Free from all this guilt I held inside,
How could you look me in my eyes and just lie?
Kept me hostage for your own salvation,
I'm no longer there, I won't be gone and...
Cause I'm free!
She said 'I'm free! '
She said 'I'm free! '
She said 'I'm free! '
Baby, wait for me!

I'm free, I'm free, so free
I'm free!
Free from all this guilt I held inside,
How could you look me in my eyes and just lie?
Kept me hostage for your own salvation,
I'm no longer there, I won't be gone and...
