

# I Ain't Even Done

Omarion

Yo, I know I ain't buggin' and shit  
And yo, O, what up?  
Strange, my head sound like Batman just got poisoned or somethin' by his old  
lady  
Somethin' like that, you know  
Word up  
Yeah, baby, tell 'em

All the fightin' and the fussin'  
The back and forth discussion  
I just wanna get it done  
If it's a technicality  
It's probably over salary  
And I just wanna get it done  
From the minute of commitment  
When you started actin' different  
Yeah, this shit is probably done  
Just because a nigga slowed up  
Hold up, I ain't even done

Fly nigga, don't play around, huh  
I'm way up, space bound, uh  
Aventador, head down  
My money talkin', say it loud, uh  
Hallelujah, praise the Lord, uh  
See you's a blessin' I can't afford  
The wrong direction, where you goin'?  
And if she throw it, then I'm Terrell Owens  
You niggas snitchin', I'm tellin' Cole  
But I'm the greatest, you niggas know it  
Master kush, god flow  
My Bape shit, Congo  
Vaycay in Cabo  
My main chick, model, uh  
Her head game, high tech, uh  
Enough talk, cut the convo

Ooh  
I ain't even done  
Ooh  
I ain't even done (Yeah)

Yo, big Ghost, long blade  
For fake niggas throwin' shade  
Big shovel, your grave  
Black suits, bow your head, nigga, let's pray  
Listen, I ain't even done  
Mama got a lot of napkins  
And it's all over rappin'  
Fake niggas, trappin'  
Her lil' hand gonna make 'em do a backspin  
A hundred hours for the Boyd fight  
He better knock a nigga out tonight (Knock him out)  
'Cause if not, I'ma take flight  
I paid the cable, nigga, you gon' pay the lights  
Yeah, bitch nigga talk a lot of noise  
Fact track, keep runnin' like it's on 'roids

New York flow, never envoy  
Goldie Hawn shit, you goin' overboard

Ooh  
I ain't even done  
Ooh  
I ain't even done

Buenas noches, uh  
Shades on, Dolce, huh  
Bronco, oche, uh  
Damn, bro, no way  
My dudes, for sure, uh  
Big house, no lake  
Ocean, no Frank  
Maybach, rosé  
I clean house, no maid  
Mow the lawn, olé  
High nigga, no shade  
Beach bum, no waves

Oh  
No waves  
No waves, nigga  
There ain't no fuckin' waves, boy  
You tryna swim and shit  
I don't understand you niggas  
Nigga, beach bum ass niggas ain't got no waves  
Your swag is low  
Uh
