

# I Wish

Omarion

Corna' Boys

This feel real good right here man

It's a good look

I ain't mad at you (Omarion)

Sometimes I wish I didn't know you but I'm glad I do (tug)

(I, I) I ain't mad at you

Sometimes I wish I didn't know you but I'm glad I do (I, I)

(I, I) I ain't mad at you

Sometimes I wish I didn't know you but I'm glad I do

I shoulda

Known I (Known I'd)

Fall in love with your game

Guess I had it coming

Now I

Can't escape what I'm dealing inside

So ain't no use a running

But (oh no)

I don't know if you feeling me the same

You gotta tell me something (gotta tell me something)

Cause I don't want to be in love with a girl

Who's way too busy fronting

I want to go back to when

To when you were just a friend

No complications

Not my heart racing

When I see you baby

But it ain't the same cause now

I can't resist your smile

You got me buggin'

I'm caught off your loving

And I know it's crazy but

(I, I) I wish I didn't love you

(I, I) I wish I didn't love you

(I, I) I wish I didn't love you

Like I do

(I, I) I wish I didn't love you

(I, I) I wish I didn't love you

(I, I) I wish I didn't love you

Like I do

Baby

Sometimes

I try to act like it ain't what it is

Girl I gotta face it

Cause I (Cause I value all of the time that we share)

And I don't want to waste it (I won't even waste it babe)

You gotta hold on me that I can't shake

So I won't even fight it (No I won't even fight it)

Girl you keep a smile on my face

And I be so excited

I want to go back to when

To when you were just a friend

No complications

Not my heart racing  
When I see you baby  
But it ain't the same cause now  
I can't resist your smile  
You got me buggin'  
I'm caught off your loving  
And I know it's crazy but

(Love you) Like I do

If Loving you is wrong then I ain't right  
Cause I can't leave you alone  
Baby girl you have made my heart your home  
It's forever you and me  
So never leave  
I said if loving you is wrong then I ain't right  
Cause I can't leave you alone  
Baby girl you have made my heart your home  
It's forever you and me  
So never leave
