

On the balcony, the private suite is way up  
Far as I can see, I got a clean lay-up  
I can hit it from the night until the day up  
She can stay the night if she can make it stay up  
She acknowledgin' a nigga 'cause I'm paid up  
But you a college chick, you need to get your grades up  
I ain't interested 'bout all the shit you made up  
I just really wanna see what you made of

I love to fuck  
She fuck to love  
We be on it, uh  
She fuck it up  
I fuckin' love  
When she performin', yeah  
Talkin' shit  
Talkin' shit  
'Til the mornin'  
When I'm on it, uh  
Excuse me, when I'm in it  
That's better

When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy  
When I'm in it, ayy (When I'm)
