Omarion

Ah, baby

Ah

(Got it on smash)

Baby, yeah

She be askin', "Why on me you focused?"

VVS, I'm shinin', yeah, I'm glowin'

Made the right decision, yeah, you know it, girl

Ain't no issue (Ooh)

I don't miss you (Ooh)

Kinda simple (Ooh)

But it's meant to (Girl)

Yeah, that's old news (Girl)

Let me show you (Girl)

Out of mind, out of sight

Like a plane, I took flight

Since we not involved

I've been way too involved

Placin' blame, not at all

Good on everything, that's all, ooh-woah

Wonderin', "Why does she test me?" (Yeah)

There's a blessing in these lessons (Yeah, yeah)

Ever since I been gone

I'm way too involved, ooh-woah

Too involved for you, babe (Bae)

Us involved? No, no way (Baby, bae)

Better off solo, babe (Bae)

Too involved for you, babe (Baby, bae)

Too involved for you, babe (Bae)

Us involved? No, no way (Baby, bae)

Better off solo, babe (Bae)

Too involved for you, babe (Baby, bae)

(Too involved for you, babe)

Bae, baby (Ah)

Bae (Bae), baby (Too involved for you, babe)

Bae, baby (Ah)

Girl, you blew my mind like some cannabis (Boom)

Picture perfect time into a silhouette (Yeah)

Sex was the best (Best), never can forget ('Get)

But I was too stressed, turnin' to a mess (Yeah)

Ain't no issue (Ooh)

I don't miss you (Ooh)

Kinda simple (Ooh)
