

## Ode To Tae

Omarion

I'll be long gone by the time you read this  
I'll be long gone by the time you read this  
What am I here for  
What am I here for

You're all I need  
You're all I need  
You're all I need  
And all I needed was you

I love you so much, but you just can't see it  
I love you so much, but you just can't see it  
What are you here for  
What are you here for

When time passes  
When time passes  
I hope you see it  
I hope you see it  
I hope you see it  
I hope you see it

You're all I need  
You're all I need  
You're all I need  
And all I needed was you

Girl I'm gone  
How do you feel  
How do you feel  
How does it feel

I want a bad girl tonight  
Mischievous and clever  
Caught up in my fame  
Trying to capitalize on our time together  
Acting like she bigger than she is  
Looking seductive  
Wanting me to sweat her  
Playing hard to get know damn well she gon get in here  
And do whatever I tell her
