

# Tell Me

Omarion

Yeah  
Hello Everybody  
I hope you're having a good time tonight  
I know I feel good  
But anyways  
Enjoy yourself

Is my mic up [?]  
What's up [?]  
I'm in here  
Oh yeah  
Ouh What's that  
She's stacked  
I'ma fall back  
But that's not a front  
We both know I can have what I want  
Did I say that ya was looking real good tonight  
You make me stays right

Hello baby what's your name  
Cause I know that's you over there  
Cause I'm tryna check out your seen  
To see who you be around

I want your friends though  
What y'all be into  
Yeah they can come too  
I'm tryna get in ya  
We can take it easy boo  
But you ain't got to tell me your name

How was thinking  
What you drinking  
You know the bar's on me  
Take your time  
Just be free  
We gon' chill for a while  
Then we gon' leave  
But that's no front  
We both know I can have what I want  
Gotta tell you one more time  
you're looking good tonight  
Girl you're my type yeah

Hello baby what's your name  
Cause I know that's you over there  
Cause I'm tryna check out your seen  
To see who you be around

I want your friends though  
What y'all be into  
Yeah they can come too  
I'm tryna get in ya  
We can take it easy boo  
But you ain't got to tell me your name  
(not really)

I'ma take my time  
Cause I know what I want  
Just tryna enjoy girl  
Can you take off your clothes  
Do it real slow  
Sexy little thing yeah  
I'ma take my time  
Cause I know what I want  
Just tryna enjoy girl  
Can you take off your clothes  
Do it real slow  
Sexy little thing yeah

(Sexy yeah)

Hello baby what's your name  
Cause I know that's you over there  
Cause I'm tryna check out your seen  
To see who you be around

I want your friends though  
What y'all be into  
Yeah they can come too  
I'm tryna get in ya  
We can take it easy boo  
But you ain't got to tell me your name  
(you ain't got to tell me your name)

Thank you guys for coming out tonight  
Once again  
I'ma take my time  
With that young lady out there  
Oh don't feel embarassed  
I'm just calling you out from the audience  
So meet me in the back
