

# Tomorrow

Omarion

Sometimes cupid doesn't hit you [?] at the same time  
Sometimes it takes love a while to wipe the tears from her eyes  
I know you been hurt before so baby girl I don't mind  
Baby you're first to fall in love waiting at the finish line  
I know you've got trust issues  
But one day you will trust me  
I've broken my [?]  
But one day you will love me  
So girl I wait on you  
One day I get lucky  
So you ain't gotta love me now, love me now  
But someday, somehow you will

Love me tomorrow  
Wherever your heart goes I'll follow  
Girl just love me tomorrow  
Wherever your heart goes I'll follow, follow  
Loving you, is all I wanna do  
Loving you, is all I wanna do  
Loving you, is all I wanna do  
You can love me tomorrow, you can love me tomorrow  
But girl, girl..

I know patience is a virtue  
So girl I give it time  
I'll be closer in the morning  
Than I will be tonight  
Everyday the walls are falling  
And I'm closer inside  
So girl believe me when I say, believe me when I say  
You're an angel in disguise  
I know you've got trust issues  
But one day you gonna trust me  
I've broken my [?]  
But one day you will love me  
So girl I wait on you  
One day I get lucky  
So you ain't gotta love me now, love me now  
But someday, somehow you will

Ah, she going to love me tomorrow  
Why not? I'm hot as David Navarro  
Just playing my part as sweet sorrow  
Loving with thy the limit when every minute is borrowed  
What you mean you did it for us?  
Taking the whole pie, leaving me with the crust  
When her mood swing, then I have to adjust  
Forever the king of hearts I'm sick in your royal flush

Yeah, you gonna love me tomorrow  
I'm just a dreamer and my mind be up in the stars  
A lot of scenes in my dreams it's just me and you  
At the [?] closed off we rendezvous  
Yeah I wake up all the time just thinking it's true  
So I gotta call you up, and tell you come through  
She at the supper club, and trying to fall in love

Just trying to have a good time all of the above
