

Unbothered

Omarion

Ooh, ooh (I still)
Ooh, ooh

Broken into pieces
You know you're the reason
Never been defeated
'Cause I didn't need it
You make your decisions (You make your decisions)
You say you didn't mean it (You say you ain't mean it)
I was blinded by love, I guess
Couldn't even see it (Yeah)

It's over now
I'm unbothered by it
You're jaded now
I'm feelin' too lit
Don't come back now
Please keep your distance
No longer missin' what we had

So I wish you well (Farewell)
I wish you well (Farewell)
You gave me hell, oh well
I still wish you well
I wish you well (I wish you well, farewell)
I wish you well (I wish you well, farewell)
You gave me hell (You gave me hell), oh well
I still wish you well
Unbothered, unbothered

Unbothered, unbothered
Unbothered, unbothered
Unbothered, unbothered
Unbothered, unbothered

It's over now
I'm unbothered by it
You're jaded now
I'm feelin' too lit
Don't come back now
Please keep your distance
No longer missin' what we had

So I wish you well (Farewell)
I wish you well (Farewell)
You gave me hell, oh well
I still wish you well
I wish you well (I wish you well, farewell)
I wish you well (I wish you well, farewell)
You gave me hell (You gave me hell), oh well
I still wish you well
Unbothered, unbothered

Ooh, ooh (I still)
Ooh, ooh
