Omariion

She's so incredible.

We fallin' in love too quick.
You're stilll obligated with a ring.
But I'm on some other shit.
(I'm some other shit)
(Damn right)

We fallin' in love too quick.
You're stilll obligated with a ring.
But I'm on some other shit.

She like: "What you want?"
I'm like: "All of you.
She said: "But you know what I'm goin' through.

(Won't you just let go??)
I can see that you grown.
Make that decision on your own.
(I think its time for you to go)

This is where you belong!
Fuck what they sayin'!
Baby, baby, baby, baby let's go!
(Let's go away)
(Let's, let's, let's go away)

Cuz' I feel like,
Its just me and you...

AGAINST THE WORLD!

Cuz' we untouchable!
Cuz' we untouchable!

Don't ask, what the hell I'm meanin'.
I can't express my feelins'.

But the shit's original.
(Original, original)

The beautiful-est thing, that we could ever do...
Is have a little me.
Or a little you.
