

# We Will Never Forget

Omarion

Sometimes you find out about things that change your life forever  
Mm-hmm, hmm, hmm-hmm

There's a weight  
That feels so heavy  
There are days when you, feel lost  
When you find the secret  
That hatred breathing  
Huh, oh Lord  
There could never be a light  
To take the darkness away  
Oh-oh, oh, woah

We will never forget  
The day they burned the city  
Oh-oh, all the pain, the fear of death  
And the terror of dying that way  
On that horrible, day

This was a crime  
The soul, so, so, so wicked  
The most tragic day  
In our nation's history  
And it's crazy to forget  
And to leave with no regret (Oh, oh Lord)  
And it pains me to see  
That some things have not changed yet (Ooh, ooh)

We will never forget  
The day they burned the city  
Oh-oh, all the pain, the fear of death  
And the terror of dying that way  
On that horrible, day

(We will never forget)  
We will never  
(We will never forget)  
We'll always remember  
(We will never forget)  
We will remember  
(We will never forget)  
Ooh-ooh, ooh, ooh-ooh, woah  
(We will never forget)  
We will never  
(We will never forget)  
Oh, oh, oh  
(We will never forget)  
Ooh, yeah  
(We will never forget)  
Ooh, ooh, ooh  
(We will never forget)  
How could we forget?  
(We will never forget)  
The pain  
(We will never forget)  
We will always remember  
(We will never forget)

(We will never forget)  
Ooh, yeah, oh, yeah  
(We will never forget)  
Should've never happened  
(We will never forget)  
We will never  
(We will never forget)  
How can we forget?  
Yeah, yeah (Oh Lord)  
We will remember (Oh Lord)  
Yeah, oh, oh, oh, oh (Ooh)  
(We will never forget)  
(We will never forget)
