

All in

OMB Peezy

(Banger)

Look

(The Melody)

Thirty thousand on me now, all drug money

Only time I tend to get excited is when the plug comin'

Told lil' bro to slow his role, you ain't never seen a hundred

I just blew another fifty, uh (DJ on the beat, so it's a banger)

Thirty thousand on me now, all drug money (Right now)

Only time I tend to get excited is when the plug comin' (When the plug comin')

Told lil' bro to slow his role, you ain't never seen a hundred (Seen a hundred)

I just blew another fifty, did that on a Monday (On a Monday)

Nigga, all my traps closed (Closed)

Tryna win, you better come around and pick a role

I'm tired of talkin' 'bout the price when they already sold (I'm tired)

Ticket change, you gotta know that if I hit the road (Hit the road)

I'm goin' all in (All in)

Told mama quit her job, she can call in (Call in today)

If I go and make another hit, we gon' all win (We gon' all win)

I ain't trippin' 'bout the money, I got it to spend (I got it)

I ain't trippin' 'bout the money, I got it to blow it (To blow it)

Paranoid about a case, but I ain't tryna show it (I ain't tryna show it)

Every time I pass state lines, I be paranoid (Paranoid)

I ain't your average trap nigga, see me in the Forbes (In the Forbes)

They might not understand (A big bag)

I was beatin' the block down, this part of the plan

I can go and get it out the bitch, put it in my hands (Why?)

14 a real smacker, he a grown man (Look, look, look)

15 a real demon, he done been through hell

Believe in God, but he probably praise the niggas who made a scale (Skrrt, s krrt, skrrt)

Smokers been comin' to get that water, I should make a whale (Look, skrrt, s krrt, skrrt)

He beggin' you to take his charges, he probably'll tell

Look, switch stove, posted by the Citgo

Rocked out just like a baby, he been tryna get that shit gone

Shit, I must think I'm Tony, on the yacht, still got my flip phone

If you don't peep my lingo, might not understand me, yeah (Uh)

Bust a move, then buy a rap bitch some Van Cleef, huh

Thick bitch, call her phone like, "What you want to eat?"

How you gon' argue with a nigga price if you can go get it cheaper?

Why I'm gon' pay a freak? The whole world payin' me (What?)

Drop like fifty and still slide, I wanna get you 'fore they catch you

Find out one of them niggas died and drop the price, I'm feelin' better

Have you ever smoked a nigga? Have you seen some real cheddar?

Boy, this street shit ain't for you, find a new life and live better

It's Peezy

(You know I ain't stoppin', nigga)

I'm goin' all in (All in)

Told mama quit her job, she can call in (She can call in)
