

Finally Made It

OMB Peezy

(Ayo, Jee, you did it again)
Finally made it, made it, made it
Oh-oh (Hit that shit, homie)
Uh (Ike, this shit crazy)

We finally made it (We made it, my nigga)
We finally made it (We here)
Can't wait to say we finally made it, made it, made it
We finally made it (After everything we did)
Can't wait to say we finally made it (You know everything a nigga seen, everything a nigga witness)
Soon as I take off, they gon' go and find a replacement (I know that though, I know though, it's somebody like me everywhere)
It's cool
I can see what's at the top right now, but stuck in the basement, basement, basement (I had to break through that cell)
So I can't wait for the day that we can say that we made it (We made it, my nigga)
We made it (Yeah)

Look, thought it was normal, notice my pain way before middle school (A youngin')
Can't eat or sleep, roaches in the kitchen, they ain't in the living room (Like, shit)
You got more than you need, see a nigga strugglin', why won't you give it to him? (For real)
I knocked that ceiling from over my head, now I'm tryna hit the moon (I'm gone)
I feel like I done got it, but can't even say it
I ain't fed 'til my people fed ('Til my people fed)
I ain't made it 'til my people made it ('Til my people made it)
My whole world done flipped upside down, think I need a cake (Think I—)
I can't wait to say we done made it, so you don't need to beg (Peezy)
Look, limb balling, my pockets full (My pockets)
Dirt stains on my boxers (On my boxers)
Look, sweating hard like a boxer (A boxer)
I'm tryna find a way to make some more profit (Some profit)
I left my boots in my locker, uh (My locker)
In the streets, I'm learning, uh (I'm learning)
Niggas still tryna block us, but can't wait to say—

We finally made it (I know you can't wait)
We finally made it (But that shit comin')
Can't wait to say we finally made it, made it, made it
We finally made it (Manifestation and faith)
Can't wait to say we finally made it (Keep God first, that's al

l you gotta do, gangster, you heard me?)

Soon as I take off, they gon' go and find a replacement (I been
knew that, I been knew it)

It's cool

I can see what's at the top right now, but stuck in the basemen
t, basement, basement (But once you break through that ceiling
though)

So I can't wait for the day that we can say that we made it (Th
at's when you can say you made it)

We made it (Like, bitch, I made it)
