

# How U Feelin

OMB Peezy

(Drum Dummie made the beat and I'm gon' kill it)  
Look, ayy

"How you feeling?" I'm alright (Alright)  
"Where you been?" In the hood (The hood)  
I'm on ten, I'ma be thuggin' forever, let's get that understood (Mm, understood)  
You robbin' shit or you here to choose? I don't give a fuck, you gettin' to it (Gettin' to it)  
Let it go, long as time movin', lil' nigga, you gettin' through it (Mm, yeah)  
She want molly (Molly), I want lean (Lean)  
She want clout and I want green (Green)  
If I fucked that ho, she gon' tell everybody (That lil' bitch gon' tell everybody)  
Look, it's to the point we can't be seen together, she look like, "What you mean?"  
I know a thousand niggas done got that head probably (Mm)

When you top me, do it sloppy  
No, I'm not finna take you shoppin'  
Foreign ridin', I ain't finna check who you followin' (Who you followin')  
Mm, when you leave, I won't follow (Follow)  
Got the number, I won't dial it  
I ain't goin' back and forth, that shit childish (Goin')  
I'm a grown-ass man (Grown-ass man)  
Jumped in the streets and I ain't ask my mama to hold my hand (Never)  
Loadin' up, goin' to war, stealin' my sister van (Grrt)  
My bitch like she can't let me go, it's like she in a trance (In a trance)  
Sittin' on your ass just like you don't want no bands, nigga

"How you feeling?" I'm alright (Alright)  
"Where you been?" In the hood (The hood)  
I'm on ten, I'ma be thuggin' forever, let's get that understood (Mm, understood)

Uh, how you feelin'? Bitch, I'm great  
Told her, "Leave," I grabbed the rake (Rake)  
Niggas green and in the way  
I was down bad on my last, was servin' fiends out where I stay  
Paid the lawyer, beat the case  
They like, "Manny, where you been?" It's like the trap is where I stay  
Had to cut off all my friends and I can't show 'em where I stay (Where I stay)  
I done fucked around, fucked the Benz up, had to slow up on the pace  
She wan' me to take her out the country, she say she tired of MIA (MIA)

And why you say you was all right? You knowin' that's why you felt that way

"How you feeling?" I'm alright (Alright)
