

# No Rest

OMB Peezy

One in the head. You can get stretched  
I keep a tec, don't gotta flex  
That pussy wet but don't want the sex  
I just want the neck (I just want the neck, yeah)  
I just want the nogging stay with a rocket know I will pop it  
I been the flyest, that's why they copy (that's why they copy)  
Yeah, that's why they copy  
Yeah that's why they copy

Yo woman my hoe (yo woman my how)  
Make her eat off the floor (make her eat off the floor)  
This ain't enough, money for me  
I need some more (I need some dope)  
I need some more bread  
I need some more bread not ah needa no red (not no needa no sleep)  
Get my sleep when I'm dead (get the sleep when I'm dead)  
Bitch give me some more head (yeah)

I just want the throat  
No bussin' it open you got the dope  
Lul put it in motion  
Waiting on how I'm floating  
Driving the boat (yeah)  
Pouring liquur down her throat  
I'm on a ocean  
Perc got me choking  
High as a tree top  
Hope they don't notice  
I don't do no coke  
But I'm so dope  
Go ahead and issue  
Don't know where you going  
I'm so high  
Don't know how to land  
You won't reach the top if you don't got a plan  
I fuck with the Cali they know what I'm saying  
I had to adapt now they all understand  
Them bullets ring out duckin' your head  
You speak on my fuck your bitch in your bed  
I'll go catch a body and then go cutt off my dreads  
Won't say what I knew toy can show me my bed  
Is y'all done or not cuz I'm sleepy as fuck  
Said I want a lawyer that should be enough  
Your knees to tight could you loosen the cuff  
And all the lil hoe wanna choose cuz I'm up  
I don't want the pussy now you look stupid as fuck  
We don't got no rule where I'm from  
Better keep your tool where I'm from  
Let a nigga make a move go dumm
