

Pour It Up

OMB Peezy

(Brazy)

Pouring shit up

Sippin' on the daily, I've been pouring this shit up

I feel like Wayne, bitch, it don't matter what's in my cup

What's in my cup

(Haha, Nene)

It's just my motherfucking cup

Sippin' on the daily, I've been pouring this shit up

Sippin' on the daily, I've been pouring this shit up

Sippin' on the daily, I've been pouring this shit up

(Ayo, Pluto, you goin' brazy)

It don't matter what's in my cup, bitch, it's my motherfucking cup (Ah-ah)

Sippin' on the daily (Sippin' on the daily), I've been pouring this shit up

(I've been pouring this shit up)

Feel like Wayne, bitch, it don't matter, this my motherfucking cup (This my motherfucking cup)

If you want it, got one body, catch a motherfucking another (Catch a motherfucking another)

I'd do a hundred for my dog 'cause that's my motherfucking brother (That's my motherfucking brother)

Hey, it's Peezy, nice to meet you

I like pizza and new eaters (I like pizza and new eaters)

I like shittin' on them people who'll leave me in the bleachers (Who'll leave me in the bleachers)

I be flashin' on my bitch and I be cheating, but I don't mean it (I be cheating, but I don't mean it)

Tryna relax and I've been looking for my mind but I ain't seen it (My mind but I ain't seen it)

Sleep with a pistol, put 'em in pairs

No, nigga, we got an issue (Got an issue)

I move more militant than you, soon as you slip, I bet I get you (I get you)

I don't wanna talk to no nigga, make an example, hide that lil' one (For real)

I was up close, I know he dead, there will be a miracle if they heal him, uh (Miracle if they heal him)

Sippin' on the daily, I've been pouring this shit fast (Pouring it fast)

Man, I be trippin' when I don't mess up, what I pour? More on my hand (More on my hand)

I told she can still come over, give me that throat, she on her way (She on her way)

He got low O's on his head, I was supposed to do him bad (I was supposed to do him bad)

I was supposed to do him wrong (Wrong)

Approach him, get him gone (Get him gone)

They won't take a nigga serious, I put it in this song (Serious, I put it in this song)

So fuck that, I ain't fucking with nobody, leave me alone (Alone)

Ridin' through the backstreets at my home (Home)

You ain't gotta ask me what I'm on, uh (What I'm on)

Flocking through the city, gotta get 'em, that's a must (Gotta get 'em, that's a must)

It's a drought up in the city, we've been soakin' this shit up (We've been soakin' this shit up)

You play, you get ate like old food, I bet I warm that shit up (I bet I warm that shit up)

And say a prayer for my people, without them, it ain't no us (It ain't no us)

I put that fire on such-and-

such, they was dyin' 'cause of us (They was dyin' 'cause of us)

Couple niggas done jumped off the porch and started slidin' 'cause of us (Started slidin' 'cause of us)

Be changing life, they had a baby, started hidin' 'cause of us (Started hidin' 'cause of us)

Ayy, I'm thuggin' 'til I die, no, we ain't hidin' from nothin' (No, we ain't hidin' from nothin')

I put that fire on such-and-

such, they was dyin' 'cause of us (They was dyin' 'cause of us)
