

## Protect Peezy

OMB Peezy

(Digital Sauce)

Look, trust'll get you paralyzed, cousin got shot in his back,  
uh  
Had to let her go 'cause she got way too attached, uh  
Headin' to the top, nobody seen me comin'  
Told 'em I had to be goin' to a check if you ever seen me runni  
n', uh  
Protect Peezy at all costs  
That's what the fans sayin', I'm the last real nigga, rest of '  
em all talk (Ah-ah)  
Finesse Peezy at all costs  
That's what it feel like niggas be on, but I still work, can't  
call off

Hard head make a soft ass  
He a hard nigga, but went out bad  
No, I'm disappointed, I am not mad  
She say I ain't nothin' with my dog ass  
If I want him gone, that's a small task  
This a 580, not the small class  
I been ridin' 'round in a big body  
Can't wipe this bitch with no small rag  
I was doin' bad, yeah, you ain't call me back  
Now they on my ass, thumbin' through all these racks, huh  
I'm a priority now, you used to call me last  
Call me daddy if you my bitch, ho, you can call me dad  
To the top, nobody seen me comin'  
I knew I wasn't havin' them dreams for nothin'  
I knew I wasn't nothin' like y'all  
'Cause y'all wanna party and I was a fiend for money  
That love shit'll have you bleedin' out  
Thought it was real, but I seen it wasn't  
I don't wan' kick it, I'll swing by  
Huh, know them people comin', uh

Look, trust'll get you paralyzed, cousin got shot in his back,
