

(Reid, put me on this one)

You told me that you need me, knowin' you gon' leave me, knowin'
' that shit gon' fuck me up
They never said that it was easy, baby girl, you need me, it's
hard for me to fall in love
Hate when you invite your friends in it, baby girl, we been win
nin', love when it's just me and her
Told you I'll do anything for you, bae, I told you I won't chan
ge on you 'cause you the one I'm fallin' for

Why you act like you gon' leave me?
I gave you everything, baby girl, you need me
Life gettin' harder, pray this shit get easy
Gangster by heart, that's the way that they perceive me
Losses after losses, shit be fuckin' me up
Put this shit all in they face, nobody fuckin' with us
She pop it every day, nobody fuckin' with her
I grinded for this shit, these niggas thought it was luck
Know you love when I get sentimental
Come here, hop on top and ride me like a rental
I know you love when shit goin' your way
Trippin' out sometimes, I'm goin' through a phase

You told me that you need me, knowin' you gon' leave me, knowin'
' that shit gon' fuck me up
They never said that it was easy, baby girl, you need me, it's
hard for me to fall in love
Hate when you invite your friends in it, baby girl, we been win
nin', love when it's just me and her
Told you I'll do anything for you, bae, I told you I won't chan
ge on you 'cause you the one I'm fallin' for

Peezy, I'm a gangster and a lover boy
Pull up, Bentley, she wanna fuck me in my other car
Sticked up ridin', let lil' baby hold my other rod
Hustle and flow, I feel like DJ, left my ho in charge (I'm in c
harge)
Huh, sometimes you trust your bitch more than you trust your do
g
But I come from the bricks where we don't trust at all
You got your good, you got your bad, baby, I love 'em all
Penthouse got floor-to-
ceiling views, this ain't no fuckin' wall
You gon' need some bigger scissors, tryna cut me off
3AM, I got a speaker, sittin' outside your house
Huh, playin' love songs for you, baby
You got me makin' love songs for you, baby

You told me that you need me, knowin' you gon' leave me, knowin'
' that shit gon' fuck me up
They never said that it was easy, baby girl, you need me, it's
hard for me to fall in love
Hate when you invite your friends in it, baby girl, we been win
nin', love when it's just me and her
Told you I'll do anything for you, bae, I told you I won't chan
ge on you 'cause you the one I'm fallin' for
