

Hammer Damage

Omen

Hail!

I have the power within! Time is nigh battle begins!
In all of my raging glory this hallowed land to defend
As my brothers fall before me, victory will be the end

Pounding the Hammer strong and proud
Blungeoning and plowing through the crowd
Wielding this thunder from the Gods
Exploding with wrath like lightning rods

Hammer Damage - bodies broken apart
Hammer Damage - smashing skulls, crushing hearts
Hammer Damage - death or battle scars
All hail the Hammer, All hail the Hammer, All hail the hammer
All hail!
Hail!
Hammer Damage, Hammer Damage

The power of all Olympus, the strength of a thousand kings
Surrender now & bow before me or hear the bells of Hades ring

Pounding the Hammer strong and proud
Blungeoning and plowing through the crowd
Wielding this thunder from the Gods
Exploding with wrath like lightning rods

Hammer Damage - bodies broken apart
Hammer Damage - smashing skulls, crushing hearts
Hammer Damage - death or battle scars
All hail the Hammer, All hail the Hammer, All hail the hammer
All hail!
The Hammer!

Hammer Damage - bodies broken apart
Hammer Damage - smashing skulls, crushing hearts
Hammer Damage - death or battle scars
All hail the Hammer, All hail the Hammer, All hail the hammer
All hail!
Hail! Hammer Damage!
All Hail the Hammer, All Hail the Hammer
