Omen

Everything you lose everything you gain
Caught in the pain everything to lose
Everything to gain so confuse
No one to blame story of my life
Everything you lose everything you gain
Caught in the pain everything to lose
Everything to gain so confuse
No one to blame story of my life

Stop comparing but is so hard
When I [?] around me and I still got no job
Best friend a doctor other friend a lawyer
Other friends famous oh my god
And they all [?] If you just see it more hunger
They are playing hard and sometimes I wonder
[?] is affecting my flight
Where the hell is my wife or at least misses right
Or at least for tonight can I least take you home
Cause I need the [?] of something more than songs
I am more that was shown more that was known
[?] flows in my bones recording a song at night
It [?] my soul on ice [?] I am a man suppose to fight
To dream you are right

Caught in the pain everything to lose
Everything to gain so confuse
No one to blame story of my life
Everything you lose everything you gain
Caught in the pain everything to lose
Everything to gain so confuse
No one to blame story of my life
Everything you lose everything you gain

Can't get a script from the bloggers
Can't get a script from the labels
[?] slipping on me now [?] unstable
Got to [?] though I got my eyes on the clock
Never drink but I swear right now
I may use a shot of scotch
A little [?] just a little something to blaze
[?] for this uncomfortable [?] right now I am on tour
And I think that might cure at least I [?]
Moments have been sent chasing my dream [?]
Tell me why I still feel pain
Tell me why things don't change
Try to make it to the top
But it stay [?] I probably miss my aim
[?] can't even look to the sky
Cause I got to much pride
Wanna know the story of my life
Look in my eyes

Caught in the pain everything to lose
Everything to gain so confuse
No one to blame story of my life
Everything you lose everything you gain
Caught in the pain everything to lose

Everything to gain so confuse
No one to blame story of my life
Everything you lose everything you gain

Bet that I am right or I am wrong
This is the story of my life got to be known
Hope you know more with every song
