

## Wow

## Omen

[?] relate to my reunion  
High school barely knew my name  
Now they are [?] when that limousine  
Pulled up and everything seemed cooler  
[?] so long can't measure with a ruler  
[?] money and balloons with the wind tips  
Everybody looking at me they haven't see a thing yet  
I was [?] dreaming at the prom queen but those tight jeans  
Had me [?] than the concrete but she only had time for the cool guys  
IQ probably low than the shoe size boyfriend was the [?]  
Every day I said I fight [?] now gonna show them  
She probably got fat she probably got broke  
I saw a picture of a couple and their kids  
And prom queens family that died in a car crash

Every time I thought I had it all figured out  
Life makes me sing wow wow  
Everytime I thought I had it all figured out  
Life makes me sing wow wow

I met a girl named [?] she is so gorgeous  
[?] take her to my fortress ride her like a horse  
Let me to tease her she loves it when she torture  
Open her ribs at a top speed screaming out don't stop please  
Now she is walking [?] years past I ain't called her told her from the front [?]  
I am a true [?] already wonder on to the next one  
[?] my sister brought all of her friends and I am intruding  
And my momma started [?] telling me [?] come and meet your cousins  
This is your aunties [?] and you are all at first her name is [?]

Every time I thought I had it all figured out  
Life makes me sing wow wow  
Every time I thought I had it all figured out  
Life makes me sing wow wow

Ain't nothing [?] to promise that I can take you honest  
[?] I got that supersize shit. if you like.  
Tell your friends I could fill a [?] like a Bluetooth  
[?] bring you home to momma [?] you are gonna feel it in the morning  
If you let me I can stretch you like [?]  
Like she wanna carry my child [?] I got to stay polite  
[?] I got to play it right [?] she said the cob is already outside waiting for you

Every time I thought I had it all figured out  
Life makes me sing wow wow  
Every time I thought I had it all figured out  
Life makes me sing wow wow
