

Nail polish in the glovebox
Blade up in my fucking lap
Rossi in a solo cup
Black shirt on my fucking back
My hair getting long and my patience getting short
If you tryna hit my line make sure you know just what you want
I ain't got no time for handouts, I ain't got no time for bitch

If you want it, come and get it, take that chance or you will miss it
Fuck all the bullshit bitch, this ain't high school, I don't give a fuck if you like me
OmenXIII, black Shirt, black Jeans, bitch I keep it lowkey, if you want it come find me

I am everything you wanna be
I am nothing, what's it mean to me?
I'm a pixel on a TV screen
I am nothing what's it mean to me?
