Myspace 0'6
Inbox full of bitches
But I don't fucking miss it
I ain't worried bout no miss's
I ain't worried bout no diss's
Bitch, I'm out here chasing nickles
Cause I ain't got time to waste
I'm flipping beats, you flip prescriptions
Switchin' flows, you switchin' lanes
We playing diffrent games
Hear you talking bout my music but I still ain't heard your name
In my zone, watch me go
In my zone, watch me go
In my zone, watch me go
In my zone, watch and I'm gone

OmenXIII
Black shirt, black jeans
Put the game on freeze
When I ride on the breeze
I ripped through your team
You grip on the grain
I wipe through the streets
Switchblade on the lanes
I stick around with my hood up
Head in the clouds
I'm thinking
Bitch you shoulda, woulda, coulda
If you say you got, then bring it
If you say you want it, come get it
Fucking steady bitch I'm ready
Sitting down my eyelids heavy
Bitch I'm empty, bitch you messy
But I'm clean and I'm mean
I am me and machine
I am love and I'm hate
I am everything that you ain't
Sun drops, crows flock,
Subs bang, bass knocks
Anime off the top
Bitch let's eat, tadakimas
Cause I eat
Cause I eat
Cause I'm eating good
Cause I eat
Cause I eat
Cause I eat
